Jonah Hex (Josh Brolin) is a scarred bounty hunter of last resort, a tough and stoic gunslinger who can track down anyone...and anything. Having survived death, Jonah's history is steeped in myth and legend, and has left him with one foot in the natural world and one on the "other side." His only true human connection is with Lilah (Megan Fox), whose life in a brothel has left her with scars of her own.

Jonah's past is about to catch up with him when the U.S. military makes him an offer he can't refuse: in exchange for his freedom from the warrants on his head, he must track down and stop the dangerous terrorist Quentin Turnbull (John Malkovich). But Turnbull is also Jonah's oldest enemy with an army preparing to unleash hell, and will stop at nothing until Jonah is dead.

Based on the legendary character from the graphic novels, "Jonah Hex" is not yet rated but is expected to be either 'PG-13' or 'R' for violence - so anyone under the age of 17 **MUST** be with someone age 17 or older to be admitted to the screening.
